The 30-Day *Launch Plan*

EXACTLY WHAT TO DO IN THE NEXT 30 DAYS · CHECK EACH ITEM AS COMPLETED

FOUR WEEKS · CONCRETE ACTIONS · NO PLANNING WITHOUT EXECUTION

Print this document. Check items as you complete them.

HOW TO USE THIS DOCUMENT

This isn't a planning document. This is an execution document. Every item below is concrete, specific, and completable. The discipline is in actually doing them, not understanding them.

THE FOUR-WEEK STRUCTURE

- Week 1: Foundation setup — the structural pieces that enable everything else
- Week 2: Visibility activation — getting the business actually seen
- Week 3: Operational discipline — building the daily habits
- Week 4: Sales engine — actively generating bookings

HOW TO ACTUALLY USE IT

- Print this document so you have a physical copy
- Check each item with a pen as you complete it
- Don't skip ahead — week 2 builds on week 1, week 3 on week 2
- If you can't complete a week's items, extend the timeline rather than skipping
- At the end of 30 days, evaluate honestly what you completed

THE MINDSET

*These 30 days determine whether the comprehensive plan becomes real or stays theoretical. Most of these tasks take less than an hour. Some take 15 minutes. The barrier isn't **difficulty** — it's discipline.*
